Subject: Proposed March Meeting

Doug / Carol

As per my December 23 email and follow up telephone conversations Northrop Grumman has suggested meeting with senior EPA staff to update your agency on Northrop Grumman Bethpage remediation related work activities.

After speaking with Lora Fly Navy, Lora expressed the Navy would participate in this meeting.

Both Northrop Grumman and the Navy can be available to meet in your office on any of the following dates:
Monday March 16 through Thursday March 19, 2015.

Please let us know if any one of those dates works for you.

Thank You
Ed
